Ceca Magán has made its first major signing of 2021 with the incorporation of Alejandro Alonso Dregi as a new **partner in the area of commercial and corporate law** in its **Madrid office**. He thus joins the team of partners formed by Jose Luis Martinez Andreo and Jose María Pastrana, in an area that in recent years has been undergoing extraordinary growth and on which the firm is doubtlessly continuing to invest.

Alejandro Alonso Dregi is specialized in commercial law and counts with more than 30 years of experience advising national and international companies in corporate matters, together with participating in multiple M&A transactions, becoming a globally recognized professional by the prestigious international directory Chambers & Partners. He adds "*I fervently believe that today more than ever, law firms have to focus and orient their entire strategy on client service*".

According to Esteban Ceca Gómez - Arevalillo, Managing Partner of the firm, "Alejandro fulfils two fundamental pillars for us today: "*consistently high added-value signings for the market and experts in the international arena*".

Alejandro joins the firm with his inherent team, lawyers **Jose Ramón Lora**, who has been his right-hand man for the past 14 years, and lawyer **Victoria Alonso**, both of whom will reinforce the Madrid corporate team currently comprised of 15 experienced lawyers.
